

Mayor Jeff Williams

The City of Arlington

Jeff Williams was elected to the office of Mayor of the City of Arlington in May 2015 after decades of public service in Arlington.

Mayor Williams is president of Arlington based Graham Associates, Inc., an award-winning engineering and planning firm. He has worked on a host of Arlington-based projects, including: AT&T Stadium, the I.H. 30 Three Bridges Project, Globe Life Park, River Legacy Living Science Center, the Parks Mall, the Viridian development and the Richard Greene Linear Park. In 2009, Williams was presented with the State of Texas Outstanding Civil Engineering Achievement Award.

During his 30 years in Arlington, Williams has been heavily involved in the community. His approach to leadership is inclusive and built on a foundation of finding consensus. That can be seen in many of Williams' projects including the 2008 Arlington City Bond Election Committee and the 2014 AISD School Bond Election Committee. He chaired both committees and both bonds passed by wide margins. In 2014, Williams served on the City of Arlington's Comprehensive Planning Committee. Mayor Williams has held leadership and volunteer roles in a variety of Arlington organizations including the Chamber of Commerce, YMCA, PTA, Salvation Army, Mission Arlington and River Legacy Foundation. His community service has been recognized with the Vandergriff Community Leadership Award.

A graduate of Texas Tech University with a degree in civil engineering, Williams was inducted into the university's Civil Engineering Academy for Engineering Excellence.

More than three decades ago, Williams and his wife Karen picked Arlington over other North Texas communities to raise their family, in part because of the quality of education in the Arlington Independent School District. All three of his children went to AISD schools throughout their public education, graduating from Martin High School. Their oldest daughter taught first grade at AISD's Roquemore Elementary for three years. The Williams are active members of First Baptist Church of Arlington where he has served in numerous leadership roles including chairman of the Board of Deacons and chairman of the Building, Masterplanning, and Property Acquisition Committee.

Adam C. Wright, Ph.D.

President

Dallas Baptist University

Adam C. Wright was elected president of Dallas Baptist University in June 2016. Prior to his selection, Dr. Wright served at DBU

as vice president and dean of the Cook School of Leadership, where he provided academic leadership and taught at both the undergraduate and graduate levels. As dean and a faculty member, he has taught numerous courses in higher education, leadership, and global studies, supervised doctoral research, shaped curriculum, and launched new programs.

With a love for international and domestic travel, Dr. Wright has led and participated in study abroad trips in England, Israel, Italy and Guatemala. He has traveled extensively throughout the New England states, specifically visiting the colonial colleges, as one of his great academic interests in exploring the history of American higher education and the preservation of Christian scholarship within the academy. His professional memberships include the International Leadership Association, Christian Leadership Alliance, and Phi Beta Delta. Dr. Wright's teaching specialties focus on Higher Education and Leadership Studies.

In 2014, he founded DBU's Institute for Global Engagement, a Christian think tank with a focus on connecting scholars and practitioners in becoming a catalyst for moral and spiritual renewal. As dean, Dr. Wright also led the campaign to raise \$8.4 million for Nation Hall, patterned after Thomas Jefferson's Monticello, which opened in 2015 as the home for the Cook School of Leadership.

Since his time as an undergraduate student at DBU, Dr. Wright has provided leadership in academic, enrollment, administrative, and advancement areas of the University. Before his time as dean, Dr. Wright had a pivotal role as Vice President for Advancement at DBU and paved the way toward unprecedented growth in fund-raising and development efforts, expanding the physical plant and increasing student scholarships.

Dr. Wright earned a Bachelor of Arts in communication, a Master of Education in Higher Education, and a Doctor of Philosophy in Leadership Studies from DBU. During Dr. Wright's doctoral work, he was installed as a member of the Epsilon Phi Chapter of Phi Beta Delta, an Honor Society for International Scholars.

Dr. Wright is married to Candice, who received both her bachelor's degree and Master of Business Administration

degree from DBU. They have two daughters, Abigail Grace and Katherine Elizabeth. Adam and Candice are members of Park Cities Baptist Church, where they teach Sunday School and are actively engaged in the life of the church.

Emma J. Stevens

F-35 Program Small Business Lead

Lockheed Martin Aeronautics

Emma currently serves as the F-35 Program Small Business/Supplier Diversity Lead at Lockheed Martin Aeronautics Company, Fort Worth-Texas. Emma has been with Lockheed Martin [formally General Dynamics Corporation] since February 1984. In this position, Emma identifies strategic initiatives for the F-35 Program to help Lockheed Martin achieve its supplier diversity goals and objectives to maximize the corporation's utilization of small diverse businesses. Ms. Stevens possesses 34 years of professional experience and has had the opportunity to work in a variety of increasingly responsible positions with Lockheed Martin, including database management, project/subcontract management, technical publication, supply chain management, corporate contract agreements, mentor protégé administrator, etc.

Currently assigned to lead the F-35 Small Business Program, she works hand in hand with Lockheed Martin's procurement, engineering, production management, government affairs, and other functional teams to ensure small diverse businesses are afforded maximum practicable opportunities to participate in the corporation's subcontracting process. In addition, Emma also serves as a mentor to employees providing training and guidance to help them navigate through their career paths.

Recognized as one of WE USA's Top 50 Women in Corporate Supplier Diversity, Emma was included among a list of highly esteemed leaders for their level of commitment to small diverse, and women business development that result in exponential gains for our global economy. Emma serves in leadership roles for several organizations; to name a few - co-chair on the Corporate Advisory Board with the U.S. Pan Asian American Chamber of Commerce, membership chair for D/FW Minority Supplier Development Council Supplier Diversity Professional Working Group, advisor for Lockheed Martin Chapter of National Society of Black Engineers, as well as work with other organizations and industry peers providing adequate tools and training for small/diverse businesses, to enhance their skills and abilities to compete for subcontracting opportunities.

A native Texan, Emma holds a Bachelor degree from the University of North Texas, Denton, TX, a Masters from the University of Phoenix, and a degree from Dallas Bible

Theological Institute. Emma remains actively engaged in various community service events helping others achieve and succeed.
